

TARTAR TEEN TALK

by Frances Adams

December 1 and 2 were banner days in drama at Torrance High School when the senior class presented "Our Town" in the school auditorium. A cast and crew of 65 marked it as the largest company ever to produce a play at Torrance. Leading roles were played by Jerry Roberts, Carol Porterfield, Dave Mullen,

Carol Echols, Marven King, Beverly Anderson, and Ron Kling. Top supporting roles were taken by Jimmie Ruth Lawrence, Tim May, Tom Heller, Eugene Denny, Jeffrey Carpenter, Rich Rayls, Larry Gibson, Betsy Lou Kauto, Kay Wieman, Darlene Meeker, Bob Emrich, Tom Cooper, Connie Zimmer-

man, Joann Porlock, Toni Jensen, and Bill Cosby.

DIRECTOR FOR "Our Town" was Mr. Vern Ashbrook, drama and English II teacher. Kerry Sumowski was assistant director. "Our Town" used little scenery in its presentational manner, but once the audience became acquainted with its style, it rapidly lost its novelty and ceased to have any value apart from the life and feeling it conveyed. This play is generally regarded as one of the best examples of drama developed by an American.

ONCE AGAIN the Girls' League sponsored a poster contest at THS. Sign-ups began Nov. 20 and ran through Nov. 22. The girls physical education teachers judged the contestants on Nov. 28 at a meeting in the girls' gym. Judging was continued on Nov. 29 to determine the finalists. Twenty girls were chosen who, from Dec. 4 to Dec. 8, will wear tags to distinguish them. All teachers on campus will receive a list of the names of these girls and will judge them. **THE WINNER** and two runners-up will be announced at

the Christmas Aud Call. For the first time all the girls will receive medals. The winner will also be presented with a traditional prize blouse. Also new this year will be a school plaque, on which the winner's name will be kept as a permanent school trophy. **Alexander C. Mitchell**, seaman USN, son of Mr. and Mrs. George W. Mitchell of 20839 Wendy Dr., is serving aboard the guided missile destroyer USS Wilson, a unit of the First Fleet which took part in Exercise Black Bear from Nov. 24 through Dec. 1, off the coast of Southern California.
